

Freud Conference 2017 40th Anniversary
Weekend 20-21 May

**Psychoanalysis in the Technoculture Age:
Challenges of the Black Mirror**

Prof Alessandra Lemma (via video) & Dr Heather Wood, UK

Two internationally renowned psychoanalysts will explore the impact of virtual reality on adolescent development and sense of body; the allure of internet sex and compulsive usage; and the increase in paedophilic sexual interests via the internet. From the broader to more specific view, psychoanalytic and socio-cultural issues over 40 years will be linked.

Saturday, 20th May, Conference program. Melbourne Brain Centre, Royal Parade, Melbourne

Sunday 21st, Anniversary celebration lunch, The Boulevard Restaurant, 121 Studley Park Rd, Kew
